Our Mission is to assist in the development of children physically, intellectually, emotionally, and socially through age appropriate play, music and pre-academic interactive activities. We strive to provide a safe and nurturing environment that our students feel welcome and comfortable to learn in.

Each class is taught by trained, caring and enthusiastic staff. Your child can begin his or her preschool adventure with a parent and me class, then transition into an independent two's class or three's class. Whichever program best fits your child's needs; we will be ready to provide fun and learning!
